

EZGO-TXT bracket installation instructions

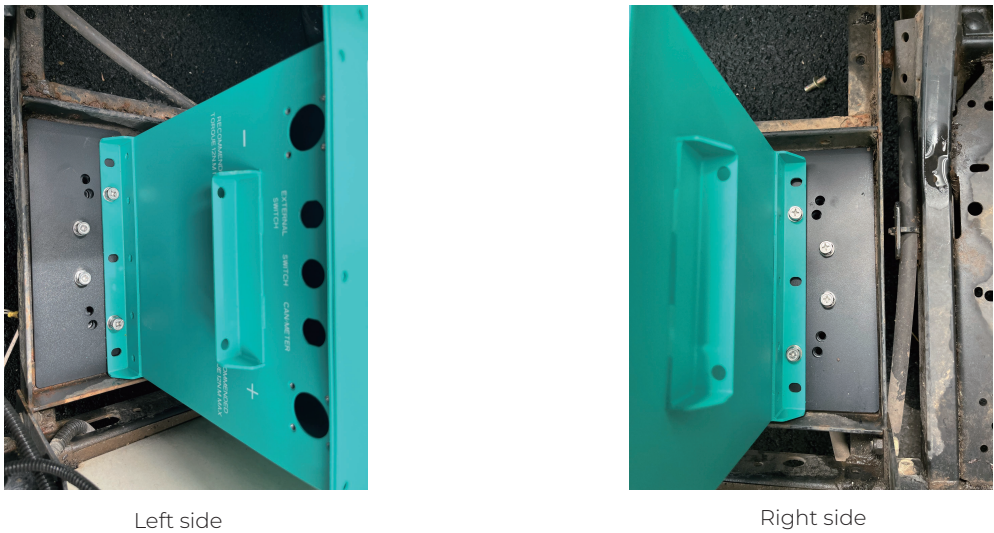

- (1) Place the two bottom mounting brackets into the left and right sides of the golf cart battery compartment and secure the brackets to the battery compartment using four 3-in-1 bolts.

- (2) Place the battery pack steadily on the bottom mounting bracket, align the battery pack bracket with the bottom mounting holes on the left and right sides, and secure with four 3-in-1 bolts.

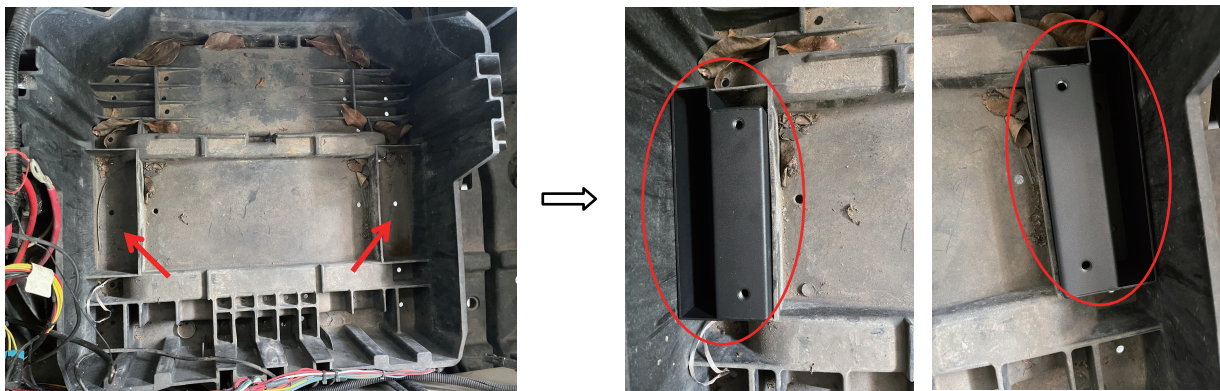

- (3) The installation is complete.

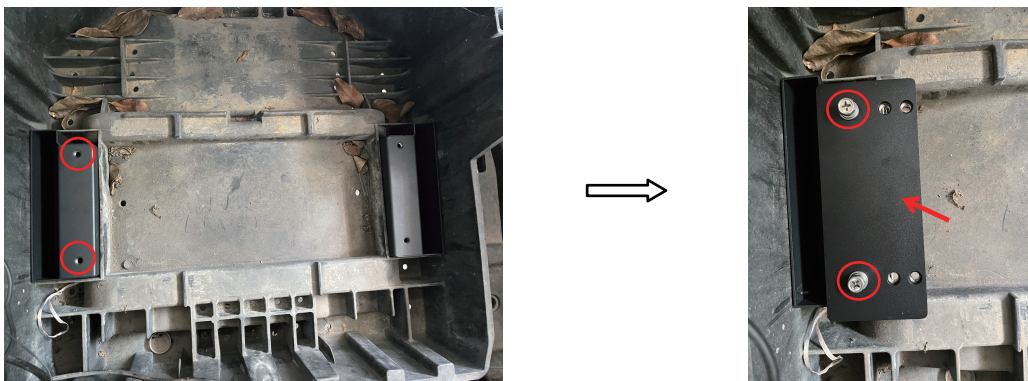

EZGO RXV bracket installation instructions

(1) Place the mounting brackets on the left and right sides of the golf cart battery compartment.

(2) Place the fixing plate on top of the mounting bracket on one side, align it with the holes, and secure it with two 3-in-1 bolts.

(3) Place the battery pack securely on the bottom mounting bracket. Align the battery pack brackets with the left and right mounting holes on the bottom, and secure with the four 3-in-1 bolts. The installation is complete.
